

Biophilia lounge chair

by Ross Lovegrove

The Biophilia furniture design collection, by Ross Lovegrove, explores a new avenue of design that forms a dialogue between time, shape and space. It combines the trend-setting natural design of the Sagrada Família by Antonio Gaudí, VONDOM's expertise in advanced rotational moulding technology and the ongoing line of research of digital transference into contemporary design.

Info

Description

Made of polyethylene resin by rotational moulding. 100% Recyclable. Item suitable for indoor and outdoor use. Available in different finishes.

Weight: 15 Kg
