

07002 MARINO MEDIUM SOFA

The Marino sofa created in solid ash, references the qualities and features of ercol design classics. The smooth elegant and flowing lines are created through traditional craft, including steam bending solid timber and modern furniture making skill and techniques. The feature turned spindles and deep cushioning combine to create a striking and contemporary sofa that is comfortable, seating two with ease. The Marino Collection is finished in your choice of wood finish that protect the timber whilst enabling you to choose the look to match your style and decor.
