

## Product Sheet

### Haiku - 3-seater

By GamFratesi, 2012

<b>Model</b>	1633 - 3 seater
<b>About</b>	The Haiku Sofa is designed with just a few lines to convey a feeling that's open yet encompassing. The clear outline of the outer shell is juxtaposed against the soft interior, providing an intimate sense of acoustic and visual privacy. At the same time, the singular seat cushion, loose pillows and upholstered back add an ample feeling of comfort. To highlight the contrast between the outer shell and the interior is the option to mix or match a wide variety of fabrics. To complete the picture, the delicate, discrete legs give the impression that the sofa is almost hovering above the ground.
<b>Product group</b>	Sofas
<b>Measurements</b>	L: 228 cm, D: 88 cm H: 103 cm, Sh: 44,5 cm
<b>Weight</b>	81 kg
<b>Materials</b>	Fully upholstered sofa with separate seat cushion. Inner frame of high pressure polyurethane foam, reinforced with a steel frame. Removable seat cushion in HR or CMHR-foam. Seat cushion has removable cover. The rear side of the sofa is available in fabric or leather. The front side is available in fabric only. Legs of powder coated steel. Three decorative back cushions included.
