

# Terho Pendant, Medium

FSC® certified linden wood  
& hand-blown glass

Inspired by nature, Terho means ‘acorns’ in Finnish and simply refers to the organic and appealing shape of acorns found in nature. The warmth and beauty of the shape combined with smoked transparent glass makes it as contemporary as it is timeless. The collection consists of three sizes, small, medium and large available in black and natural. Durable for both private and public use.
