

BONALDO

Thin

Thin: a graphic and contemporary sign, a continuous line that forms the headboard and bed level, bestowing a minimal and airy appearance that balances the large surface of the headboard. Four thin metal feet discreetly support the sleeping level, bestowing additional lightness to the whole. The perimeter of the bed is embellished with a fabric profile, available in many colours. The option to choose the colours of the border allows

elegant combinations or interesting contrasts to be created with the cover (which can be made of fabric, leather or eco-leather, removable in all versions). Alternatively, it can also be produced in the embroidered version, with a modern and elegant diamond pattern (Thin ego). Thin is available in double or single versions.
